## Chairman's introduction

The second season of the Yorkshire Cricket Premier League was a quite remarkable one in terms of weather – with only 37 out of 1,364 league games lost as a result of weather.

Some outstanding individual and team performances underlined the quality of the playing strength in the League and the overall standard of our grounds and facilities is high. Millhouses Works opened a magnificent new pavilion, and new facilities are in the pipeline for Adwick-le-Street and Norton Woodseats. But the dearth of cricket grounds in South Yorkshire is a real issue, resulting in some clubs needing to play on Sundays, which is not an ideal solution.

We welcome new club Barnby Dun into our League for 2023, and wish them a long and successful stay with us, as well as an additional team at Norton Woodseats. South Kirkby return to the Pontefract League under the terms of the pyramid agreement – but there is no team coming in the opposite direction.

Our Equity & Diversity Group has become established, and is making significant input into the running of the League. I look forward to working with them in the future as they develop their action plan based on their survey results. Key League officials have also completed equity & diversity training. The League's player survey also gave us some invaluable feedback, and it was pleasing to see that in most respects, players were content with the organisation of cricket in the League. I understand the importance of listening to our players, and feedback from the survey has been invaluable in looking at areas where we can make changes to ensure that we provide the cricket that players want.

Before the start of the season, we had to adopt the new General Conduct Regulations for dealing with disciplinary incidents. This was a significant challenge, but it was well managed by Neil Vaughan and Mick Bocking. The majority of our clubs supported the disciplinary panel by taking appropriate action where necessary and, from 56 reported offences, we only needed only four disciplinary hearings all season. There were fewer reports received in the Premier Section than in 2021, and I hope to see a similar improvement in the Senior Section in 2023.

Whatever our successes, there are always challenges. One area of particular, and ongoing, concern to me is the shortage of umpires and scorers. To cover all our games, we would need around 126 umpires every Saturday – but typically we have only around 50-60. We desperately need more former players to take up these roles. We pay all the training costs for umpires and scorers, and there is a 'one-off' £100 bounty for any club that puts a new umpire into the system. Umpires' fees are being increased for 2023, and we are recommending a minimum fee for scorers. We are actively seeking ideas to encourage more people to take up umpiring and scoring – we need a lot more people to do so.

Junior cricket represents our future, and the growth of womens' and girls' cricket is an equally important area, and we want to do whatever we can to support this in our League. In 2022, the League sponsored junior cricket balls to the tune of £800 and Readers sponsored 36 pink balls for womens' and girls' cricket.

Whilst the overall picture is pleasing, we cannot rest on our laurels, and one priority is the need to encourage the improvement of grounds and facilities at our clubs to the highest possible standards. We are still a new league and we are still finding things in our rules that need to be tweaked. Two areas that have been addressed in recent weeks are the rules about playing higher division players in lower division teams and guidance on overseas players.

One area where clubs could make a difference is in improving their administration, in particular on Play-Cricket, for example, in registering all junior players before the start of the season; and in ensuring timely submission of match reports.

There are a number of people whom I would like to thank. Firstly, our sponsors, *Nicholas Associates*, *ExtraCover Insurance*, *Tiflex* and *Readers* for their generosity in sponsoring our League; and *Viking Cricket* for sponsoring the joint Premier Leagues knock-out cup over the last few seasons. They have all helped to put us in a strong financial position.

Secondly, I thank Gareth Davis at the YCB, who has provided a great deal of advice and support to the League over the last 12 months.

Thirdly, a big thank-you to all the league officials who work tirelessly behind the scenes to do all the work that is necessary to keep the League running as efficiently as possible. They are too many to mention, but they know who they are, and I never cease to appreciate their often-unsung efforts.

Fourthly, our grateful thanks to the seven clubs who did such a great job in hosting our finals days in 2022 – Cawthorne, Darfield, Elsecar, Fishlake, Sheffield Collegiate, Wakefield Thornes, and Wickersley Old Village.

Finally, I thank all our clubs, their players, officials and followers, who make our League what it is. I congratulate all our award winners in 2022; I wish everyone a good winter; and I look forward to seeing everyone next season.

## Cup Competitions

### **Viking Cricket Cup** (the Yorkshire Premier Leagues Knock-Out Cup)

**Barnsley Woolley Miners** reached their second *Viking Cricket Cup* final where they again faced their 2018 conquerors Woodhouse Grange. Sadly for the Shaw Lane side, the result was no different this time, and Woodhouse were worthy eight-wicket winners on the day. Batting first, skipper Beck Frostick and Owen Smith shared a fifth wicket stand of 89 that rescued the Griffins from 54-4, before Frostick was out for 71. Smith also fell for 71, and the later batsmen were unable to push on to a challenging score, thanks chiefly to an excellent 5-27 spell from player-of-the-match Richard Walton, and Barnsley were all out for 193. Whereas the Griffins were without free-scoring overseas batsman Jake Weatherald, Woodhouse had no such problems, and South African Fritz de Beer got his side off to a flying start with 44 off 28 balls in a 64-run opening stand. After that, it was a straightforward task for Daniel Barrett and Christopher Bilton, who added 109 for the second wicket to take their side to the brink of victory.

To reach the final, Barnsley beat Whitley Hall by one run, Whiston Parish Church by ten wickets, York by 102 runs, and Clifton Alliance by 17 runs.

### **ExtraCover Insurance Whitworth Cup**

**Hallam** were convincing 84-run winners over Sprotbrough in the Whitworth Cup final at Northfield Road, Wickersley. After Sprotbrough won the toss and asked Hallam to bat first, Hallam openers Harman Puni and Nick Dymock were soon both back in the pavilion. Romir Singh followed at 52, the second of Sadrian Ward's five wickets, but Christian Leddicoat and Rob Basu (52) then put on an entertaining fourth-wicket stand of 129 to take the game away from Sprotbrough. After Leddicoat fell to Scott Mantovani for an excellent 94 off 85 balls, the later batsmen perished in pursuit of quick runs, but Hallam's 240-8 was always going to be a testing target.

Sprotbrough needed a good start, but unfortunately for them, they fell to 28-3, with two wickets for Hallam skipper James Smedley, whilst Leddicoat took the prized wicket of dangerman Ward. Alex Rudkin kept one end going with a determined half-century, but lost six partners before becoming Alex Coates' third victim at 93-7. Ashley Langdale's unbeaten 30 ensured some level of respectability, but Sprotbrough were all out for 154 in the 36th over.

The trophies were presented by Head of Premier Section Mark Beardshall and Dom McMullan of sponsors *ExtraCover Insurance*. Hallam's Christian Leddicoat, with his match-winning innings and two wickets, was a clear winner of the player-of-the match award. Hallam had reached the final with wins over Houghton Main by ten wickets, Aston Hall by three wickets, and Barnsley Woolley Miners 2nds by five wickets.

### **Mick Savage Trophy**

**Norton Woodseats** won the Mick Savage Trophy with a two-wicket final win over Upper Haugh at Darfield CC. Having won the toss and elected to bat first, Upper Haugh made a solid start with a 56-run opening partnership between Josh Heenan (28) and Naveed Shah (29), before the latter was caught off David Armitage. That precipitated a steady fall of wickets, and only Dean Smith, with an unbeaten 43, held the innings together whilst no-one else reached double figures. Michael Donson, with 4-31, was the main destroyer for Woodseats, as Upper Haugh were bowled out for 154 with three balls left in the last of their 40 overs.

In reply, it was Donson again, with 54 off 30 balls, who got his side off to a brisk start before falling to Shezad Shah, whilst Habil Malik (3-15) took three quick wickets at the other end, and Woodseats slipped to 65-4. David Armitage (38) then took over the anchor role and steered his side to within sight of victory at 135-6. He and wicket-keeper John Bagley then fell for the addition of one run, but Aamir Ashfaque (25 not out) got Woodseats over the line with eight balls to spare, in company with Ali Shah.

Woodseats' impressive run to the final comprised wins over Caribbean Sports by 179 runs, Coal Aston by 149 runs, Penistone by two wickets, and Aston Hall 2nds by ten wickets.

### **President's Trophy**

In the President's Trophy final at Cawthorne, **Elsecar 2nds** were asked to bat first by Oughtibridge War Memorial 2nds and were bowled out for 154 in the 38th over. Kieran Higgins (35), Christopher Pedler (31) and Jason Meadows (34 not out) were the main contributors with the bat, whilst Dilshan Luxman Sukumar took 3-16 for Oughtibridge. Oliver Cockbill-Black (25), Waheed Bhatti (34) and Zayn Wasim (29) top-scored in the Oughtibridge reply, but they lacked support against a strong Elsecar attack, in which there were two wickets apiece for Shaun Pedler, Harrison Hayes and Matthew Tonks, whilst Jason Meadows had the remarkable figures of 8-7-1-3. Elsecar wrapped up the win by 30 runs in the 36th over. On their way to the final, Elsecar beat Whiston Parish Church 2nds by two wickets, Frecheville Community by 50 runs, and Worsbrough Bridge by five wickets.

## Billy Oates Memorial Cup

**Whitley Hall 3rds** enjoyed a convincing 70-run win over Upper Haugh 3rds in the final at Fishlake. Having elected to bat first, Whitley amassed 220-6 in their 40 overs. Charlie Wragg led the way with 49, and he had good support from Josh Dobson, Josh Singleton and Charlie Taylor, who all contributed 30s. Shaun Cristinacce top-scored in Upper Haugh's reply with 69, but all the batsmen found run-scoring difficult against an accurate attack, in which player-of-the-match Wragg took one for nine in his eight overs, and Tom Staniland took 3-36. On their way to the final, Whitley beat Harley by six wickets, Mexborough 2nds by 158 runs and Thorpe Hesley & High Green 2nds by 150 runs.

## T20 Blast

**Barnsley Woolley Miners** won the second YCSPL Blast competition by beating Doncaster Town by 43 runs in the final at Elsecar.

Barnsley elected to bat first and got off to a flyer with Jake Weatherald (66 off 31 balls) to the fore. Oliver Bennett (22) helped him add 54 for the second wicket; but after James Keast dismissed Weatherald at 99, the Griffins somewhat lost their way against Keast (3-28 in four overs) and Warren Graca (2-16 in four), making just 148-9 in their 20 overs. Doncaster too got off to a good start, and with George Fisher (25 in 26 balls) going well they reached 54-1 and looked in control. But the pendulum swung at that point; Jay Smith claimed three quick wickets with the aid of excellent catches by Matty Clegg and Sheryaar Ali, and Barnsley were transformed into an irresistible force. The last nine wickets fell for the addition of 51 runs, Smith finished with four for 12 in three overs, and Ali Jahangir three for 20 in four. Skipper Beck Frostick had the last say, bowling Joel Gunn to give his side what, in the end, was a well-deserved win.

In the first semi-final, George Fisher (55 off 20 balls) set Doncaster off at a cracking rate, before forties from James Keast and James Dobson took them to an impressive 228-7. In reply, skipper Liam Wiles (43 off 30 balls) kept his side in the game at the top of the order before being fifth out at 125; and Josh Holling hit 44 off 26 balls; but three wickets for Joel Gunn, a tight spell of two for 23 in four overs from James Dobson, and one wicket and two run outs by James Keast, took Doncaster through to the final.

In the second semi, Cleethorpes took full advantage of the first powerplay, Sameera Sadamal hitting 37 off 17 balls as they raced past 50. But once Sadamal was out at 58, wickets started to fall regularly, and although his fellow opener Tom Keast carried on until being ninth out for 61, he lacked any sustained support against Barnsley 'spin twins' Ollie Jackson (3-21) and Ali Jahangir (3-31). Chasing 153, Jake Weatherald (76 off 33 balls) and Oliver Bennett added 98 for the second wicket in quick time and the Griffins appeared to be coasting to victory with plenty to spare. But both fell to Sadamal for the addition of four runs, Matthew Owen took a couple of wickets, and at 135-6 there was a flutter of nerves before keeper Ciaran Stenton steered his side home.

## T20 Plate

**Aston Hall** retained the YCSPL T20 plate title by beating Coal Aston by five wickets in the final at Abbeydale Park. Chasing 110 to win, Aston Hall won with two balls to spare after Nasir Omar had got them off to a good start with 55 off 47 balls. Lawrence Pickford (4-14 in four overs) bowled Coal Aston into contention, but an unbeaten 28 from Josh Coulson saw Aston home. Earlier Daniel Hemingway top-scored with 40 for Coal Aston, whilst Tom Coulson (3-14 in four) was the pick of the Aston Hall bowling.

In the semi-finals, Aston Hall beat Conisbrough by 16 runs and Coal Aston beat Sprotbrough by three runs - both games going to the very last ball.

# HALL OF FAME

The *Hall of Fame* was introduced by the Yorkshire South Premier League to recognise individuals who 'have given outstanding service to our clubs or our league'. The *Hall of Fame* concept has been taken on board by the Yorkshire Cricket Southern Premier League, and future inductions will ensure representation from across the whole league. Individuals are inducted into the *Hall of Fame* each year at the annual presentation dinner.

The existing members of the *Hall of Fame* are:

2017

1. **Bill Croft.** Former Sheffield Collegiate seam bowler and tireless committee worker, who became President of the Yorkshire League and is still closely associated with the Collegiate club.
2. **Steve Foster.** One of the finest cricketers produced in Yorkshire not to play in the first class game. An outstanding all-rounder for Treeton CC, for whom he continues to play and is now vice-chairman.
3. **Andy Harrison.** Yorkshire League opening bowler with Rotherham before moving to Wickersley, whom he captained to seven South Yorkshire titles. Now club groundsman, committee member and founder YSPL committee member.
4. **Bob Leafe.** Cleethorpes record run scorer, who served the club for over fifty years as player, captain, committee member and, most recently, cricket chairman. He is still actively involved at Chichester Road.
5. **Stuart Roberts.** After a playing career spent mainly at Conisborough, he became one of Yorkshire's best umpires in an outstanding umpiring career that included over thirty years on the Premier League panel.
6. **Dennis Wadd.** Appleby Frodingham's first team scorer for 54 years; he was a familiar friendly face, a meticulous scorer and an ever-popular figure on grounds across Lincolnshire and Yorkshire until he passed away this year.

2018

7. **Nick Cowan.** A Yorkshire League legend who led first Rotherham Town and then Doncaster Town to League titles before leading Doncaster to their finest hour, the 1998 National Club Championship. Remains closely involved with DTCC.
8. **Keith Haynes.** 'Mr Treeton', whose own playing career with the club was eclipsed by a 31-year tenure as club chairman, during which time he has been the driving force behind making the club what it is today and is still the club groundsman.
9. **Richard Wilkinson.** One of South Yorkshire's most popular and talented all-rounders. A stalwart of Barnsley, Whitley Hall and the Yorkshire Academy, his vast experience now benefits the YCB. Now starring with his home club Wombwell Main.

2019

10. **Matt Dixon.** Served for 12 years as captain of Sheffield Collegiate CC; a former Yorkshire League committee member who was closely involved in the creation of the YSPL, of which he was vice-chairman for three years.
11. **Harry Fidler.** An ever popular and respected 'old school' umpire who served 16 years on the Yorkshire Premier Leagues panel and is now on the League panel; Harry rarely, if ever, refuses any appointment.
12. **Kevin Motley.** A dedicated and meticulous scorer for Barnsley for many seasons, recognised as one of the best in the country, and founder of this Almanac.

2021

13. **Terry Bentham.** The legendary League Ambassador has been a huge figure in South Yorkshire cricket for over 40 years, through his dedicated contribution to league administration and umpiring.
14. **Steve Fletcher.** Steve, who has sadly just passed away, was known as 'Mr Whitley Hall' through his enormous contribution to the club in every possible role over the last 53 years.
15. **Iain Mallett.** A dedicated servant of Millhouses Works CC for the last 28 years in numerous roles, his biggest achievements are putting in place the club's junior structure and masterminding the completion of the club's magnificent new pavilion.
16. **Steve Reid.** The late Steve Reid was a loyal servant of Penistone CC for 47 years, during which time he was probably best known for his coaching work with juniors and his long and indefatigable service as club groundsman.
17. **Milton Samuels.** The hugely-respected first chair of the League's Equity & Diversity Group has run Caribbean Sports CC since he was instrumental in founding it in 1967.
18. **Richard Storer.** Richard has been club secretary at Hallam CC since 1987, during which time he has overseen the growth of the club into one of the country's leading producers of junior players.
